

**We welcome wholesale accounts at Isis Glass.** We have had many satisfied wholesale customers since 1990 when we first exhibited at The Buyer's Market of American Crafts in Philadelphia.

Currently, our website is our catalog. Customers, who qualify, by providing the requested information, will receive a username and password. This will allow you to then access the wholesale price list and ordering information.

If we currently have a wholesale relationship or had one in the past, you do not need to re-qualify. Merely contact Carlene via email at [carlene@isisglass.biz](mailto:carlene@isisglass.biz) or by calling 610-797-2874 for you password.
